9. PACE OF PLAY (Note to Rule 6-7)

(a) Time Allowed:

Definition of Out of Position:

The first group and any group after a starter's gap will be considered to be "out of position" if, at any time during the round, the group's cumulative time exceeds the time allowed for the number of holes completed. Any following group will be considered "out of position" if it is more than the starting interval behind the group in front and has exceeded the time allowed for the number of holes played.

(b) Procedure When Group is Out of Position:

1. If a decision is taken to time the group, each player in the group will be subject to individual timing by a Rules Official. Each player in the group will be advised that they are "out of position" and are being timed.
2. The maximum time allocated per shot is 40 seconds. 10 extra seconds are allowed for the first player to play:
 - on a par three hole;
 - an approach shot; and
 - a chip or putt

The timing will start when a player has had sufficient time to reach his ball, it is his turn to play and he is able to play without interference or distraction.

On the putting green, timing will start when the player has had a reasonable amount of time to lift, clean and replace his ball, repair ball marks and move loose impediments on his line of putt. Time spent looking at the line from beyond the hole and/or behind the ball will count as part of the time taken for the next stroke.

If any player exceeds the time allocated, he shall be deemed to have had a "Bad Time".

3. Timing ceases when a group is back in position and players will be advised accordingly.

PENALTY FOR BREACH OF CONDITION:

- 1 Bad Time: Player will be warned by the official and told that if he has a further bad time he will be penalized.
- 2 Bad Times: Penalty of One Stroke
- 3 Bad Times: Further Penalty of Two Strokes
- 4 Bad Times: Disqualification

(c) Procedure When Again Out of Position during Same Round:

If a group is “out of position” more than once during a round, the above procedure will apply on each occasion. Bad times and the application of penalties in the same round will be carried forward until the round is completed. A player will not be penalised if he has a second bad time before being advised of his earlier bad time.

10. DECIDING TIES

In the event of a tie for first place in both events, there will be a hole-by-hole play-off to determine the winner. In the event of a tie for any other places, the tie will be decided by a counting back system of matching score cards in the following order:
