

Report on KGS Vaccination and Covid Status

Vaccination Status

The Health, Safety and Security subcommittee met today ,9 Aug 2021, to review the vaccination data on KGS staff and our operators. We have a high vaccination rate as shown by the figures.

Currently we have 157 staff and all have taken their 1st dose, 2nd (141) while 16 staff are waiting for their next appointment. By early September we should get 100% full vaccination.

For our operators, they have combined total of 25 staff. 1st dose (24), 2nd dose (23). The remaining 2 are awaiting for their appointment.

KGS STAFF 2021

4	Golfers Terrace	5	4	4	1
5	Pro Shop-Transview	5	5	5	all vaccinated
6	GCM Canteen Operator	currently not operated			

Covid case update

Tomorrow is the day our 15 security guards will go for their 2nd swab tests. This time at MBKS for free. Results will come out in 3 days. If they are all negative, it will be good news for us. I spoke to the Security Chief Mr Joeshawa Lajang. He reported that his men are doing well with no symptoms.

New case report

Unfortunately, we received a report that one of our swimming pool attendants was in close contact with a covid positive family member which occurred outside the club house. His last day of work at KGS was 7 July. He usually works at the poolside. Fortunately, the swimming pool is closed currently, so he was not near anyone. He was sent for his 1st swab test this morning to be followed by a 2nd one on 13 Aug. We wish him all the best.

Only We can HELP Ourselves !

Anytime you see your friends sitting too close together, sharing food, fork and spoons, or not wearing masks, gently tap on their shoulders and remind them

Only We can Help Ourselves !

To all our muslim friends

Selamat Menyambut Awal Muharram.

May you have a great day ahead

Bob Chew Pok Vun

Hon Secretary
